

## DIRECTIONS TO THE SWBA WONFORD OFFICE

### FROM A38/A380

As you approach Exeter, take the 'Wobbly Wheel' exit signposted for Dawlish and Marsh Barton. Go straight across the first roundabout, (Marsh Barton on your left) but bear left at the second roundabout, heading for the City Centre; there is a dedicated lane for this.

Follow the road over the swing bridge to the Countess Wear roundabout – you should have a Beefeater Restaurant on your left as you approach the roundabout. Go straight across at this roundabout.

Continue along the dual carriageway, through several sets of traffic lights until you reach the large Middlemoor roundabout. Take the first exit, signposted City Centre.

Keep following this road, through two sets of traffic lights. At the next set of traffic lights turn left into Butts Road.

Then take the second turning left into Wonford Street.

The SWBA office is on the right hand side after about 50 yards, next door to the New Jumbo Fish and Chip shop, and opposite the Wonford Inn. To the left of the Chapel building is a narrow lane which leads to our car park at the rear.
